

REMARKS

The Examiner rejected claim 27 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. The Examiner specifically indicated that claim 27 depends from itself and therefore the scope of the claim cannot be readily determined. **In response**, the Applicant has amended claim 27 by changing its dependency from itself to claim 26. The Examiner has indicated that claim 26 is allowable and Applicant therefore respectfully submits that claim 27 is therefore also allowable as being dependent from an allowable claim.

The Examiner rejected claim 28 under 35 U.S.C. 102(b) as being clearly anticipated by Biasoni '107. In response, Applicant has canceled claim 28 without prejudice.

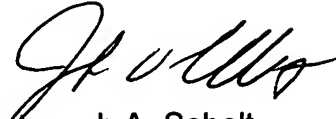

The Examiner indicated that claims 1-26 are allowed.

Applicant respectfully requests reconsideration of claim 27 inasmuch as the claim is dependent from an allowable claim and therefore should be allowable.

Applicant respectfully requests early issuance of a Notice of Allowability with respect to claims 1-27.

Respectfully submitted at Canton, Ohio this 10TH day of NOVEMBER, 2005.
